DELAY LIKELY
IN WAGE FIGHT

LEGAL NOTICES

May Be Several Months Before Railroad Workers Find Where They Are At

WASHINGTON, April 21.—The possibility of several months delay in the settlement of the wage demands of the 2,000,000 railroad workers developed today during discussions.

E. T. Whiter, chairman of the wage commission of the Association of Railway Executives, said considerable time would be required for the place before the board and that answers to questionnaire sent out by his association could not be obtained under three months.

L. E. Shepperd, president of the producers, both of whom are repre-

Declaring that the roads could delay settlement of the dispute by 12 months, W. N. Doak, vice-president of the Brotherhood of Railroad Trainmen, said every month delay meant the saving of millions of dollars by the roads. He warned, however, that further delay in settling the wage question would add to the unrest among the railroad workers.

Charles H. Barker declared that the board would expedite matters as quickly as possible and that there

...waza would continue for the present
uninterruptedly.

GIRLS IN OVERALLS' SHOCK 'DAUGHTERS'

WASHINGTON, April 21.—The
staid house office building was given
a touch of jazz today by six young
women secretaries who enrolled as the
newest recruits in Representative Upshaw's
overalls' brigade.

Appearing in blue denim trousers,
the bottoms of which were rolled well
up above their high-heeled pumps,
the young women created something
of a sensation and had a large following
as they tripped gaily along the
corridors. The drabness of the uniforms
was relieved by multi-colored
silk waists and silk stockings.

"It's a horrifying spectacle," chorused
a dozen Daughters of the American
Revolution as their sightseeing
trip through the big office building
was interrupted by the crowds following
the young secretaries.
